Applied Experience is a practical work experience related to the student's major area of study and career goals. It is intended to provide an opportunity for a student to gain first hand work experience in an unfamiliar field. Consequently, Applied Experience credit may not be granted for a student's regular work assignment or for previous work experience.

Registration is by application only. Application forms are available in the Director’s Office. The application must include a clearly written description of the duties and responsibilities involved in the Applied Experience project, and be signed by the student, the on site supervisor and the faculty supervisor. Completed applications must be received in the Department Chair's Office by the last class day of the semester preceding intended registration. This course is graded "credit" or "no credit."

No more than three semester hours of Applied Experience credit may be counted toward the baccalaureate degree.

Undergraduate Applied Experience courses will include no less than one hundred hours and no more than one hundred fifty hours of work experience per semester.
