The list in the center assumes 15 hours / semester and suggests the sequence of "required" courses for the Teacher Certification English 7-12 emphasis in Writing Studies. NOTE: Because of the Professional Teacher Education Requirements, it is very difficult to complete all upper level coursework for both the major and certification in four 15-hour semesters. It is, of course, your choice if you would like to take upper-level courses early, take more than 15 hours a semester, and/or take summer courses. The courses listed under “Sophomore Year” are recommendations for courses to take early in your degree plan. Please take ENGL 3303 Intro to Writing Studies as early as possible in your Writing Studies coursework, as it is foundational to all writing studies courses.
