Vocal performers

- Two contrasting pieces (style, language, etc.)
- Vocalize a major scale up to the top of your range, and down to the bottom of your range. Use a syllable of your choosing.

Instructions:

- The audition video must be recorded in one take.
- The student should introduce themselves and announce every upcoming piece. They should indicate whether they are performing the full piece or an excerpt.
- Please ensure reasonable sound quality and video quality.
- The total duration of the audition video must not exceed 15 minutes.
- The video should not be edited.

The students should provide PDFs of audition music in their e-mail application. (Include only performed music, not entire books.)
